Our Program

At Girl Scouts, your girl will prepare for a lifetime of leadership, success, and adventure in a safe, no-limits place designed for and by girls!

How?

Through the **Girl Scout Leadership Experience**—a collection of engaging, challenging, and fun activities. She will gain important skills in four areas that form the foundation of the Girl Scout Leadership Experience.

Life Skills

STEM Science, Technology, Engineering, and Math

Outdoors

Entrepreneurship

Why?

The idea is to learn by doing, and at Girl Scouts, she'll do lots of it. She'll join with other Girl Scouts and people in her community—and together, they'll take action to change the world.

Frequently Asked Questions

Who can participate in GSLPG's Program events?

A registered Girl Scout is always welcome to our events, independently or in a Troop. Tag-a-longs are allowed at events only if the event specifies they may come.

Who can I contact with questions about an event?

Each individual event will have contact information listed for any questions or concerns you may have.

Do adults pay for program events?

Adults do not have to pay for an event unless the event specifies that there are adult fees included.

Are badges/patches included?

Many of our events do have the opportunity to earn badges/patches. However, please check the individual event and see if the badge/patch is included in the fee.

If my Girl Scout participates in a program independently, how will she be supervised?

Girls that are participating independently should always be accompanied by a parent/guardian.

How will I know that an event has been cancelled?

If you are attending an event that is put on by our council, the adult listed on the individual girl's event registration will be notified. If the event is put on by a community partner, it is up to their discretion on how to notify for cancelled events. Community partner contact information will be listed for these events.

What is the refund policy?

GSLPG reserves the right to cancel or change any scheduled activities due to lack of enrollment or severe weather. A refund is made only when the council cancels a council-sponsored event. No refunds will be issued for no-shows. Please check with community partner-sponsored events for their refund policy.

What is the difference between a council event and a community partner event?

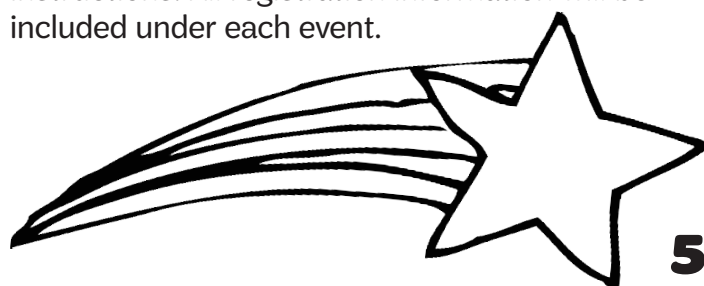

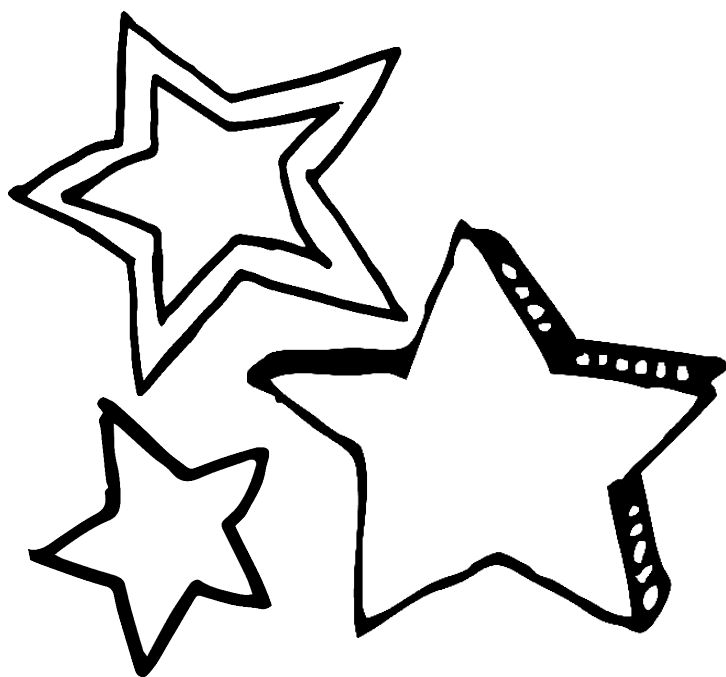

Council events are our GSLPG planned events, which our Girl Experience staff coordinates. Community Partner events are planned in partnership with local establishments.

Will I receive confirmation that I signed up for an event?

Yes. You will receive an email. Additionally, you will be able to see some events in your ebiz order history.

How do I register for events?

Each program event has its own specific registration instructions. For most council events, you will need to register for an ebiz account. Community Partner events typically have their own registration instructions. All registration information will be included under each event.

What is **G.I.R.L.** Academy?

G.I.R.L. Academy is programming designed specifically for our older Girl Scouts. In addition to our numerous GSLPG program events that older girls can participate in, we have created a mix of exciting experiences and skill-building activities that will directly impact Cadettes, Seniors and Ambassadors.

Savannah QuestFest

The Savannah QuestFest is an annual event, hosted by the Girl Scouts of Historic Georgia, which draws in hundreds of Girl Scouts each year. Girls sign up in teams and compete by completing Quests throughout the city of Savannah, GA! GSLPG is providing financial assistance to send a team of Girl Scouts to next year's QuestFest, set for July 18-21.

Girls from across the council will train together via online and face-to-face retreats. Fun online trainings will be held monthly. Face-to-face retreats will be scheduled twice leading up to the Quest and dependent upon the schedules of the girls chosen for the Team.

Learn more about the Savannah Quest at gsquestfest.org and keep a lookout for applications on the G.I.R.L. Academy tab on the GSLPG website.

G.I.R.L.s at the Capitol

We will be looking for girls interested in representing GSLPG at the Louisiana State Legislative Sessions. Girls will witness their government in action while having fun with a purpose. This overnight experience will be a one-of-a-kind experience for high school level girls. Applications to open in February—keep a lookout for applications on the G.I.R.L. Academy tab on the GSLPG website.

Girl Scout Destinations

Girl Scout Destinations are the ultimate adventure! With different trips every year, there's something amazing for everyone. Pack your bags full of life-changing experiences and make friends as you travel internationally with girls from all over the country. Round 2 application deadline is Friday, February 15. Please send completed applications to info@gslpg.org.

Higher Awards

The Bronze, Silver and Gold Awards are the highest honors a Girl Scout can earn. All three awards give you the chance to do big things while working on an issue that's captured your interest in a big way. Every year, GSLPG Girl Scouts discover an issue in their local communities and take action by utilizing project management skills to resolve the problem.

These honors are recognized in the highest regards by many community members, such as government officials, university admissions counselors, and even the President of the United States. Gold Awardees are even given the opportunity to apply for college scholarships through GSUSA. Further questions can be directed towards your local Girl Experience Specialist. Applications can be sent to info@gslpg.org.

Be Prepared **2nd-5th**

Brownies: Learn how to recognize an emergency and seek assistance through 911 role-play activities. Discover what items are essential in a basic first aid kit. To get started, the CMA will give each Girl Scout a Red Cross Pocket First Aid Kit purchased using funds received from a grant funded by Lourdes Foundation. Learn from our presenter, a Registered Nurse, proper handwashing techniques and how to treat minor injuries such as, cuts, scrapes, bruises, minor burns and nosebleeds.

Juniors: Learn from our professional presenter, a Registered Nurse. Meet the five requirements to earn your badge: (1) learn the first steps to take in an emergency — role-play the Check, Call, and Care, (2) realize the importance of the first responders in your town — role play situations, (3) discuss items in a portable first aid kit – each scout will be given a Red Cross Pocket First Aid Kit purchased using funds received from a grant funded by Lourdes Foundation, (4) find out how to handle urgent first aid issues, and (5) know how to take care of someone who’s sick — make people who have common colds, fever or flu more comfortable.

Awaken Your Senses 2nd-3rd

Explore your world in different ways! EYES are our sense of sight—look at things that are alike or a little different & look at small things then with a magnifying glass. EARS are our sense of hearing – play the matching game and identify sounds with objects. The NOSE is our sense of smell—be a “sniffing detective” and guess what foods in our bags are giving off the scent or odor. The TONGUE is our sense of taste—take the challenge to taste different flavors and name foods that have the same taste. HANDS are our sense of touch—name the six objects just by putting your hand into the mystery boxes. Feel texture & shape—nothing will hurt you!
