Board of Directors

Girl Scouts was founded in 1912- 110 years ago. Life and Girl Scouting looked a lot different in 1912 than today. Furthermore, life and Girl Scouting looked a lot different just five years ago than it does today. Our world has been through many changes in the past couple of years. Between pandemics and hurricanes, our girls have been through unprecedented times- to say the least.

One thing has not changed in all these years- the Girl Scout Mission. To build girls of courage, confidence, and character, who make the world a better place. Here at GSLPG, we are so incredibly proud to say that is exactly what we do. Our girls have shown resilience, tenacity, and an ability to adapt to change that could rival any leader in this world. As we move forward into a more stable year, we will continue to work hard each day to better provide the opportunity for our Girl Scouts to thrive.

Hurricane Relief

GSLPG hosted an activity kit supply drive following Hurricane Ida. Girl Scouts from around Louisiana, and even across the country, donated thousands of items.

The kits were compiled by GSLPG council staff. All in all, hundreds of activity kits were assembled.

The kits were given to various organizations including the United Way and the Red Cross. These organizations distributed kits to youth in need of distraction from the impacts of the storm.
