

**Summer
Camp
Guide
2023**

Dear Girl Scouts,

I hope you are as excited as I am to look through our new camp guide to find out how you can camp like a Girl Scout this summer! Camp is truly a magical place for girls. It is a wonderful way to make new friends, experience new adventures, and create fun memories that will last a lifetime. From picking a camp name (mine is Mary Poppins!) to learning archery to campfire singing, you better believe you'll have a blast!

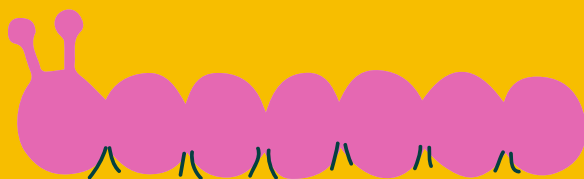

Our terrific (and trained) volunteer summer camp teams have been working hard to ensure that you will have the most incredible outdoor experience no matter the camp you choose. Plus, for the first time this year, we will bring classic Girl Scout camp experiences to each region through our unique Urban Day Camps. The fun doesn't stop there; we have STEM-focused camps, special experiences for our youngest Daisy campers, and an awesome career-focused camp for our oldest girls.

If you or your families are unsure if you're ready for camp, please feel free to reach out, and we can discuss finding the best fit. Please know that your overall experience and safety is our number one priority. We are attentive to our campers and monitor sunscreen, hydration, sleep, cleanliness, and always safety. Please take the time to explore this guide to find the camp that is right for you. The camp teams and I look forward to seeing you this summer!

See you soon!
