

Cookies for a Cause

Cookies for a Cause is a council-wide initiative that allows customers to purchase packages of cookies that GSLPG will then deliver to local community organizations on behalf of our Girl Scout Troops.

Recipients of cookies will include the following groups throughout GSLPG's 42 parish area:

- food banks
- essential workers
- military personnel

GSLPG will also be partnering with Vitalant this Cookie Season in order to provide support for the national blood donation shortage.

Support Girl Scouts and local community organizations through the Cookies for a Cause program!
