

Girl Scouts of Louisiana – Pines to the Gulf
2022 Troop Cookie Program

Post-Sale

- **March 8 – Troop Deadline** to allocate cookies and payments to girls by 11:59pm.
 - On the girl order tab, the goal is to have the bottom line (difference line) to be at 0.
 - Any number other than 0 means you either allocated too many cookies (+), or too few (-).
- **March 8 – Troop Deadline** to submit final rewards by 11:59pm.
 - Make sure any choices or sizes that need to be made have been done so. On the view final rewards order, the choice of size/catalog selection next to a girl's name will be in red.
 - Please note that if your troop participated in a cookie rally or reached the 2022 pkg level you will have to manually enter the number of patches you need. Scroll down to the bottom of the reward list to enter the number you need.
- **March 9 – [ACH Funds Shortage Report](#) is due by 12 noon.** Check eBudde Sales Report for balance due council. Reminder: IRM girls must deposit the total amount of sales as stated in their paperwork.
- **March 10 – Final ACH sweep**
- If you still have inventory issues or concerns, please fill out the [Product Program Problem Report](#) as well, and contact your Membership Specialist so we can assist you on an individual basis.
- Please know that we will work with troops to continue their sales if the need is there, but communication is the key.
- **April 30 –** Final rewards expected to Council and SU Cookie Managers. Please keep in mind that in some cases out of our control, an item becomes delayed or is on back order.
- **May 28 –** Deadline final rewards to be distributed to troops.
- **June 7 –** Deadline for troops to notify SUCM's or Membership Specialist of missing or damaged items. For staff send in to info@gslpq.org
