Who We Are

Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Promise

On my honor, I will try:

To serve God and my country,

To help people at all times,

And to live by the Girl Scout Law.

Law

I will do my best to be

honest and fair,

friendly and helpful,

considerate and caring,

courageous and strong, and

responsible for what I say and do,

and to

respect myself and others,

respect authority,

use resources wisely,

make the world a better place, and

be a sister to every Girl Scout.

CEO Girl Scouts of
Louisiana-Pines to the Gulf

In 2023, we faced a pivotal moment that called for us to come together and continue to rally, rebuild, and recover. Our focus was on nurturing the growth and resilience of girls in our communities. We rallied together and championed the development of girls with courage, confidence, and character - the qualities that are essential for true leadership.

The Girl Scout Leadership Experience stands strong as a testament to this mission. It unlocks the potential within each girl, giving them the skills and mindset to create positive change in the world. By empowering these young leaders, we are not only shaping individuals, but we are also crafting a brighter, more equitable future for all. Together, we can create a future where girls are empowered to take on any challenge and lead with confidence.
