WHO WE ARE

Mission

Girl Scouting builds girls of courage, confidence, and character, who make the world a better place.

Promise

On my honor, I will try:
To serve God and my country,
To help people at all times,
And to live by the Girl Scout Law.

Law

I will do my best to be honest and fair, friendly and helpful, considerate and caring, courageous and strong, and responsible for what I say and do, and to respect myself and others, respect authority, use resources wisely, make the world a better place, and be a sister to every Girl Scout.

2025: One Team. One Mission. For Our Girls.

This year, we came together as one team with one mission to support every girl in a community where challenges continue to grow. Girls today face pressures and uncertainties unlike ever before, and the strength of Girl Scout values is needed more than ever.

Thanks to the dedication of our volunteers, families, staff, and supporters, more girls experienced the confidence, leadership development, and belonging that define the Girl Scout Leadership Experience. Together, we made meaningful strides in serving more girls and deepening our impact.

We are grateful for everyone who stands beside us in this mission. As we look to the year ahead, we invite you to continue supporting this vital work. Together, we can ensure every girl has what she needs to lead with courage, confidence, and character.
