

BAT HOUSE PATCH PROGRAM

GIRL SCOUT GOLD AWARD 2021 BY EMMA BERGERON (IRM)

This patch was designed to help educate girls on the benefits of bats and ways they help the community.

To earn this fun patch, complete the required number of activities for your level. *Bonus: try to find Emma's bat box that she put up at the GSLPG campgrounds!

Send in the submission form along with photos of you and/or your troop completing the activities to receive your FREE bat house fun patch!

GIRL SCOUT LEVEL	REQUIRED ACTIVITIES
DAISY	4 ACTIVITIES
BROWNIE	6 ACTIVITIES
JUNIOR	8 ACTIVITIES
CADETTE, SENIOR, AMBASSADOR	10 ACTIVITIES

1. Watch a bat in flight
2. Watch 2 videos on bat conversation
3. Read *Stellaluna* by Janell Cannon
4. Draw a picture of where you think bats live and compare them with your troop members
5. Do your own independent research on bats and share what you find
6. As a troop or on your own, create a skit about bats and how they use echolocation
7. Make a poster to help inform people about the benefits of bats
8. Find other animals that live in the same place as bats
9. Try to find a bat box outside (a Girl Scout camp, a State Park, or at a campground)
10. Build a model of a bat box out of cardboard
11. Find out what diseases bats carry and which ones they help prevent
12. Learn the diet of bats that live around you
13. Compare bats who live in your area to bats who live in a different terrain
14. Find out about an organization that helps conserve bats
