Pelican understands that each troop is required to cover at least one financial education course per scouting year. By teaching money management skills, we want to help Girl Scout Troops of all ages prepare for long-term financial success (and cookie sales).

The Girl Scouts offer their own badges for financial education courses. We have developed financial wellness presentations to correspond with the badges offered by the Girl Scouts. ### Official Pelican Financial Wellness Patch

Although the Girl Scouts offer their own patches for completing financial education courses, Pelican will issue a one-of-a-kind Financial Wellness Patch to all Girl Scout Financial Wellness Workshop attendees.

The badge can be placed on the back of their smock or sash per Girl Scout regulations!

Once the tour is complete, each attendee will receive a small snack, a gift bag with Pelican goodies, and an exclusive Pelican Financial Wellness Badge.

We love Girl Scouts cookies as much as everyone else! As part of our partnership, Pelican will work with the Girl Scouts to organize a Girl Scouts Cookie Day at Pelican. On this day, Pelican will allow troops to set up tables at Pelican branches across the state to sell their cookies.

We'll even help with the marketing! Our team will market this single-day event through our social media and other platforms to drive traffic to the branches.

Pelican will also provide materials to the Girl Scout Troops so that they can let everyone know they'll be at Pelican selling cookies.
