- **Council Cookie Booth Sign-Up: Round 3**, 6 selections (only 2 Premium)  
Opens **February 10**, 4pm – Ends **February 11**, 11:59 pm
- Not sure how to schedule a cookie booth? Quickbites are available from ABC for scheduling Council arranged [Council Secured Booths](#) or troop arranged [Troop Secured Booths](#).
- We are continuing to contact businesses for approval and will keep adding them in. Please do not contact council secured locations yourself without council approval. Not sure what a council vs troop site is, refer to [Week 4](#) guide for more details on booths.
- Reminder: All IO deliveries to SU/Troops will fall between February 14-20. Encourage parents/girls to start delivering their pre-sale orders immediately but please refrain from setting up booths or selling their extra inventory.
- **Troop Link** – Troop links are another way the troop can work together towards their goal. There are two links available, and your troop can decide how they choose to use one or both. Don't forget about VIRTUAL Booths. Your troop can use your troop link to receive pick-up or delivery orders. So easy and fun!  
**NOTE: Troop links will not be available to use until we are in the Booth Sale/Delivery Phase of the Program.**
- [Quickbite: Smart Cookies Tabs and Functions for Troops](#) will continue to help us learn how Smart Cookies works. Remember the Smart Cookies Training and Safety tab has many of these Quickbites.
