Goal Setting: Set My Sales Target

1. Girl Scouts enter how many packages of cookies they are working to sell this year through online and offline sales.
2. When the information is entered, the calculator will show how much money the troop will get from the Girl Scouts hard work.
3. Clicking on “Rewards” will take you to your council’s rewards tab (if available) to see what rewards the Girl Scout might want to work towards.
4. Girl Scouts can enter any offline packages they have sold so their customers will see their total sales, not just their digital sales.

Don't forget to save your goal before moving on.

You will see what the customer will see. Some things to check:

- Is the spelling and grammar correct and does it tell a story?
- Make sure the photo or video are displaying correctly.
- Are the goals accurate?
- If you need to change anything, click *Edit* and make changes, then go back to Step 2a.
- If it looks good, *approve and publish it*.

Your Girl Scout’s cookie store now has its own website! If your council’s digital cookie sale hasn’t started, the link will not be active yet.
