### FOR IMMEDIATE RELEASE

March 5<sup>th</sup>, 2026

LOUISIANA – Starting March 6<sup>th</sup>, 2026, Girl Scouts across the state of Louisiana will be setting up booths with everybody's favorite treat: Girl Scout Cookies!

The Girl Scout Cookie Program has been a tradition for more than one hundred years- the first known cookie sale dates back to 1917! The Girl Scout Cookie Program promotes the growth of 5 skills in our Girl Scouts: Goal Setting, Decision Making, Money Management, People Skills, and Business Ethics. A lot has changed in the last hundred years, but this has not: Girl Scouts continues to build girls of courage, confidence, and character.

Want to stock up on your classic Girl Scout favorites? Use our Cookie Finder at [www.gslpg.org/findcookies](http://www.gslpg.org/findcookies) to find a Cookie Booth near you! There's nothing quite like supporting girl entrepreneurship *and* stocking your freezer with Thin Mints at the same time!

There is a **brand-new Girl Scout Cookie** this year- the highly anticipated Exploremores! The Rocky Road ice cream-inspired flavors of chocolate, marshmallow, and toasted almond crème will have you wanting to scoop up every last package! Exploremores join the line of available cookies that also include Thin Mints, Caramel deLites, Peanut Butter Patties, Adventurefuls, Trefoils, Peanut Butter Sandwiches, Lemonades, and the gluten-free Caramel Chocolate Chip!

While Girl Scout Cookies are a tasty tradition, they are so much more than a cookie! Girls learn valuable leadership skills by participating in the Cookie Program. In addition to this, funds generated by the Cookie Program stay local- Girl Scout troops use funds for leadership experiences, educational trips, and community projects.
