- Not sure how to schedule a cookie booth? Quickbites are available from ABC for scheduling Council arranged [Council Secured Booths](#) or troop arranged [Troop Secured Booths](#).
- We are continuing to contact businesses for approval and will keep adding them in. Please do not contact council secured locations yourself without council approval. We would love your help securing these booths. Reach out if interested. Not sure what a council vs troop site is, refer to [Week 3](#) guide for more details on booths.
- Don't forget about **BLING YOUR BOOTH** - Let girls use their imagination and get creative about ways to get customers to stop at their booths. For more details and what's in it for your troop, take a look at our [flyer](#) and [submission form](#). We've added more ways to win!
- Reminder: All IO deliveries to SU/Troops will fall between February 27-March 5. Girls can start delivering their pre-sale orders immediately but please refrain from setting up booths or selling their extra inventory. Everyone will start selling their extra/Booth cookies on March 6.
- **Troop Link** – Troop links are another way the troop can work together towards their goal. There are two links available, and your troop can decide how they choose to use one or both. Don't forget about VIRTUAL Booths. Your troop can use your troop link to receive pick-up or delivery orders. So easy and fun!
NOTE: Troop links will not be available to use until we are in the Booth Sale/Delivery Phase of the Program.
- [Quickbite: Smart Cookies Tabs and Functions for Troops](#) will continue to help us learn how Smart Cookies works. Remember the Smart Cookies Training and Safety tab has many of these Quickbites and there is a Deep Dive into Smart Cookies on gsLearn.
- GSLPG will host meetings to give you a chance to come on and ask questions or get some help to make your Cookie Program a Success. These will recur each Tuesday at both 12:30 and 6pm from January 20 - March 17. The same links below can be used for each week.
